Journal of Internet Banking and Commerce (JIBC) provides framework for conveying various research and academic brilliance in the field of business and management. Business and Management is continuous process which requires production and distribution of goods and services for human requirement. The Journal aims to provide monthly journals which are published after peer review from editorial board members from across the world. It provides platform for research in areas of business, marketing, banking, finance, economics and commerce.

Review process involves the Editorial Tracking System. It is an online manuscript submission, review and tracking systems. Review process is done by the editorial board members of Internet Banking and Commerce or outside experts. Two independent reviewers approval along with editor approval is required for acceptance of any citable manuscript. Authors may submit manuscripts and track their progress through the system, hopefully to publication. Reviewers can download manuscripts and submit their opinions to the editor. Editors can manage the whole submission/review/revise/publish process.

This top best scholarly journal is using Editorial Tracking® System for online manuscript submission, review and tracking. Editorial board members of the Journal of Internet Banking and Commerce or outside experts review manuscripts; at least two independent reviewer's approval followed by the editor is required for the acceptance of any citable manuscript.

We are successfully completed Volume 26 & Issue 9. Now we are planning to release Volume 26 & Issue 8. We cordially invite you to submit your contributions encompassing your current theoretical or experimental scientific endeavors either as original research, review, commentary or expert opinion.
